POST DIRECTOR

LOCATION: Canberra, Australia
TYPE: Full Time, Fixed Term Contract
TIME: Start early January 2022

▶ Role Overview

Our Post Directors are responsible for leading teams of editors to deliver on entire series of TV for our clients.

You will be working closely with Series Producers, Scriptwriters, Production Managers, Assistant Editors and Offline Editors to ultimately create series of multiple episodes of broadcast television. You will need to be experienced in the art of visual storytelling and film language. There will be a strong need to engage with all aspects of the story, as well as working with the team to meet and/or exceed client expectations on schedule and on budget.

Experience with archive based History series would be considered an advantage, this will be a long term contract with view to permanency for the right candidates

We are interested in hearing from candidates of all experience levels, please send CV, Cover Letter & COVID vaccination status to the address below.

KEY RESPONSIBILITIES

- Demonstrable Directorial ability with a strong portfolio across multiple forms of content
- Able to communicate with and coordinate multiple team members to achieve project delivery.
- Will lead, manage and mentor members of the editorial team on both a project level, and a company level
- Will contribute creatively to the production process
- Will communicate with producers, executive producers and other senior members of WildBear on issues relating the Company as a whole
- Must demonstrate high levels of organisation and attention to detail
- Able to execute all tasks and complete and deliver projects on budget and schedule at a Post Director level
- Will exercise excellent personal time management and communication skills
- Will contribute to and learn from general Wildbear Entertainment edit, creative and technical communities
- Will work within budget and schedule constraints to complete work to an excellent level on or ahead of schedule.
