EDIT ASSISTANTS

LOCATION: Canberra

TYPE: Full Time, Fixed Term Contract

▶ Company Overview

WildBear Entertainment is one of the largest factual television production companies in Australia, servicing the Broadcast and Government sectors domestically and internationally. Working in our creative culture, your skills and expertise will be encouraged to grow, providing you opportunities in our fast growing company.

We are interested in hearing from candidates of all experience levels, please send CV & Cover Letter to the address below.

ROLE OVERVIEW

We are looking for post production staff to join our Canberra team for a range of short and long term contracts in 2022. Contract durations will vary between 3 and 6 months with the opportunity for longer term prospects.

To thrive in this setting you will possess great communication skills, a demonstrated commitment to excellence, strong attention to detail, technical proficiency and be eager to join our fast paced and dynamic creative team.

You will be working as part of our post-production team in our Canberra CBD office creating long form factual content for the global television market.

This is a great opportunity to put your skills and experience to use in a work environment that encourages innovation and creativity.

KEY RESPONSIBILITIES

- Good level NLE / Media Management / Technical skills.
- Must show an interest and aptitude in the art and craft of screen editing.
- Good level understanding of post production workflows, including but not limited to conform, craft editing & media management.
- Able to receive a brief from a director, senior editor or production manager and work with small amounts of supervision.
- Must be able to interpret and follow a script with little or no supervision.
- High-level ability to multi-task, prioritise and problem-solve.
- Able to complete all assigned production tasks, including but not limited to footage research, clip logging, subclipping, preparing projects for editors, sequence assembly and assemble editing, conform, assemble edits, rough-cuts, fine cuts & picture lock editing.
- Must be able to run screenings to directors or clients and communicate well
- Will contribute creatively to the production process.
- Will exercise good personal time management and communication skills.
- Will contribute to and learn from general Wildbear Entertainment edit, creative and technical communities.
- Will work within budget and schedule constraints to complete work to an excellent level.
